

# El Dorado Hills Bowmen

## PRESIDENT'S REPORT

By Tom Grube

Hello everyone and I hope your summer is filling up with fun activities.

The broad head league is moving along and they are shooting on Thursday evenings. Come out and join them to sharpen up your skills in preparation for the upcoming hunting season. When you have a successful hunt be sure to share your experience with us along with photos. It would be great if you could get to the range a little early or stay after to help Shane with the set up and take down.

I reported last month that we hosted a shoot for the El Dorado Hills Community Services District Employees in April. We received a nice thank you card from them along with a dozen new arrows that will be used by the students in the archery classes. We also gained a couple new members from the group.

Things are quiet at the range but the grasses are still growing or have grown. Tony will be scheduling a work party soon to help clean up the trails and around the club house. We also have 8 more pads to form and pour and we are waiting for Bill Peterson to decide when the project will be started again.

James Myers has been doing a great job teaching the CSD classes with help from Dave Stroncak, Dave McReynolds and others.

Thanks to Dennis Sorensen for gluing the targets and Dave Stroncak for installing them. Have a great time at the range and be sure to stop anyone you feel is doing anything that is not safe. We have in the past observed new shooters not following safety procedures. Also, watch out for Rattle snakes as they have been seen on the range.

See you at the range.

Tom

## Hunting Coordinator Report

By Richard English

As you read this newsletter the A Zone coast bow hunting season is open. Some lucky archer has already filled their tag. Most out of state Tag lotteries are complete and those lucky enough to garner a prize out of state archery hunting tag, are full of anticipation.

As we practice all year at paper target, 3-d animals and broadhead leagues, I want to take this time to remind our bow hunters to focus on the journey, as filling your tag is only icing on the cake. Archery and bow hunting are year round sports to be enjoyed by all. Planning, practicing and interesting conversation with fellow archers are all part of the experience.

Make the sport of bow hunting proud, be good conservationist, respect the game, habit and the privilege of hunting.

If you have a great hunting experience or success, please share it with the club.

Remember to pass the tradition of Archery and Bow Hunting on to today's youth. They are the Future of our sport and hunting heritage!

Shoot straight, shoot often and get out and go Hunting!

## **IN MEMORY OF DON BEECH**

The end of May, another member of EDHB passed away from a freak accident. Don Beech was a member of EDHB, on and off, for many years. He competed at most of the local tournaments and some of the State Championships. He served as President of EDHB for one year. Recently, he could be seen on the golf course more often than the archery range. During our Open Shoots, he was usually helping run the long clout shoot by the registration area. He became famous for his Breakfast Burritos for Work days. His nickname was "Chef" Beech. Our thoughts and prayers are with his wife, Joanne.

## **RANGE MANAGER'S REPORT**

Well, I'm back! Eric and I were gone most of June and 1st part of July. We shot Nevada City, Cougar Mt. and Cascadian Bowmen Safari 2-day shoot in Oregon. So much fun and now back to work on the range.

We will be changing and checking targets. For those that have a target, we'll be looking to see if they've been kept up.

I ordered more Rinehart targets. Once the weather changes, I will set up work parties. Watch for dates. Until next time, have fun and shoot straight.

Tony, Sr.

## **TRAINING COORDINATOR'S REPORT**

Hi all,

After many, many years as Instructor Coordinator our long time lead, Dave McReynolds, decided to hand over the reins. Dave did a fantastic job in the role, getting many new archers started in our great sport. If you see Dave on the range, be sure to thank him.

We continue to offer monthly Beginning Archery classes through the El Dorado Hills Community Services District, and have had great participation. The students have had a great time using new recurve bows purchased this year to augment and update our equipment. A few of the students have had so much fun, that they even decided to join the club! If you know someone looking to try out archery, point them to the CSD website to sign up for a class. All ages are welcome! <http://www.eldoradohillscsd.org/recreation/youth-sports.html>

I hope you are all going to take some time to watch the Olympics this year, as Ellison, Kaminski, Garrett, and Brown represent Team USA in the recurve competition. Speaking of Olympics, I would like to see if there is any interest from our club families to start an EDH Bowmen USA Archery Junior Olympic Archery Development (JOAD) program. As a certified USA Archery Instructor, I have the opportunity to start a JOAD program for our club, but would need the help of a club administrator, as well as a minimum of 3 archers between ages 8 and 20 to kick things off. If you have a family member who is interested in joining a JOAD program, or you are willing to help us start such a program, please send me an email with your contact information. If there is enough interest, we will get things started! [JamesMyers@ElDoradoHillsBowmen.com](mailto:JamesMyers@ElDoradoHillsBowmen.com)  
Shoot Straight!

## In Memorium – Carl Noss 1924 - 2016

by Peg Sweeney

Where to start! Carl Noss was born on August 17, 1924 in Iowa. He was one of 11 children in the family and lived through the Depression Years. He moved to California to live with an Aunt and ended up driving truck for her company in Sacramento prior to joining Noss Brothers Trucking.

Carl became a member of El Dorado Hills Bowmen after applying for membership and being voted into the club in 1963. He served as Vice President in 1963. When Jim Sweeney joined the club in 1964, Carl Noss and Bud Clifford were the first people to help explain the range and

shooting rules.

Carl was a **working** member of the club. He could be seen at almost all of the work days and was the main source of hauling the bales for the range for many, many years. He drove for Noss Trucking, and was able to use their truck for helping at the range.

This was at no cost to the club. At that time, you could drive up to the range opposite the street across from the range and didn't have the S-curve to negotiate. He and Bud ran the "Beer" Stand on the North 14 for many, many years during our Open Shoots. When EDHB decided to build an indoor range on Rodger Cady's property in Elk Grove in 1976, Carl was a major worker. He hauled all the rock for the base and 55 yards of concrete was poured over that. Then he hauled all the rock for the parking lot. There are pictures of the work crews putting up the building which was 105 ft. long by 30 ft. wide in an album that is kept at the range.

Carl was a Life Member of NFAA and CBH/SAA, a lifetime member of NorCal Bowhunters. He joined the organizations as soon as he started shooting tournaments and continued his membership to the present time. I first met Carl, in 1972, when he was with the gang hunting at Ridgewood Ranch out of Ukiah area. Shortly after that time, we were all over at the Yolo Bowmen 3-D shoot. Some of you elder statesmen will remember their 3-D targets were shaped out of burlap and stuffed with newspaper and whatever else they could use. This tournament was held in a cow pasture that the rented for the day. My first tournament was the Yolo tournament. There were no aiming spots, so Carl said, "Peg, let me shoot first and then you aim at my arrow." This worked out pretty well. Of course if you missed the target, your arrow might land in a cow pattie, so you hoped you didn't

miss. He and Bud attended many of the local tournaments over the years. The last one he attended was The Bowhunters in 2015. Carl was a founding member of Laguna Creek Archers, and also belonged to Yolo Bowmen. Carl was the Club Champion many, many times. EDHB held the club championships at the October Club Shoot, which consisted of 14 Field, 14 Hunter and 14 Animal targets. He was noted for shooting top scores at most of the tournaments in the area. He shot his best score at the age of 70 years young.

Carl was an avid hunter. He harvested 16 bucks in California, and hunted the Channel Islands. Most of these hunting trips were family camping trips which included his wife, Irene (Bud's Sister), and his kids, Eddie, Nancy and Sherry.

He lived a long and full life, and we will miss seeing him competing, working and involved in the world of archery.
