EDHB 700 ROUND

The course is fully set up today with a combination of targets. Please respect the course and the rules. Do not "park" on a lane and shoot multiple arrows into the same target. This is a scored event, set up to shoot and move at a quick pace. Honor the format and respect your fellow archers out here today. Help preserve these targets for future use. If your see violations of this format, range rules, broadheads or a safety violation, contact me immediately. (#)

LANES #1-14, "The Front"

Lanes here have two targets. SHOOT ONE (1) ARROW ONLY into the ASA target, (Scored 14, 12, 10, 8). Then SHOOT ONE (1) ARROW ONLY into the Duramesh Animal Target, (Scored 11-10-8-1). NOTE: The scoring areas are biologically accurate for the species. Refer to the guide at the start of each lane. The ASA paper target has been enlarged 25% for targets 55 yards and longer. There is NO 14-point scoring circle for lane #4.

LANES #15-28 "The Back"

16 foam 3D animals. Shoot TWO (2) ARROWS. Scored (11,10,8) There are two lanes that will have TWO (2) targets, shoot both from the same stake.

LANES: _____ & _____.

Standard distance markers per shooting division. Green wood stakes are for all RECURVE and TRADITIONAL BOWS for this shoot.

If a target is "shot out", please go behind the target house and put up another.

If you need resupply call me at (#).

When completed. Drop off your score card and/or text me your score with name and email so we can put you in the end of season raffle. GOOD LUCK & GOOD SHOOTING
