El Dorado Hills Bowmen (EDHB)
Meeting Minutes
February 12, 2025

This meeting took place at the El Dorado Hills Bowmen Clubhouse, 2231 El Dorado Hills, CA 95762. These minutes were compiled from notes and verbal input provided by attending Board members.

1. **Call to Order**
   The Meeting was called to order by President Kayo Shiveley at 6:31 PM.

2. **Attendance**
   The following were in attendance:

   Kayo Shiveley, President
   Debbie Heise, VP Publicity
   Dave McReynolds, Treasurer
   Pepper Wind, Member-at-Large
   James Myers, Member-at-Large
   Jeff Summers, Member-at-Large (pending)
   Michael Ramsbotham, member
   Hendra Soeleman, member
   Sheila Soeleman, member

3. **Treasurer's Report**
   Dave McReynolds provided an overview of the Club and FEDHPAR financial accounts. After the briefing, he indicated he would like to meet with the Board one week prior to the next General meeting to have everyone submit projected expenditures over $1,000. He will then be able to prepare a 2025 Annual Budget.

   Dave also reported that the FEDHPAR Board had recently met and had selected Ms. Irene Hashimoto as its President. This vacancy was created by the previous President's out-of-state move.

4. **Secretary's Report**
   Sal Segura was out of the country and no report was available. An updated Active Membership List was emailed to the Board and posted to the Administrative/Training Room door prior to his leaving.

5. **Old Business**
   None.

6. **New Business**
   - Potential Club Sponsorship – Kayo is working on a corporate sponsor for the range. Maui Brewing Company.
   - CSD Try Archery Class Contract – Kayo renewed the Club contract and coordinated class schedules with the CSD. The arrangement will grant 75% of any profit from class attendance to EDHB and 25% to the CSD. A good deal overall.

- Club Members' 3D Monthly Shoots - Jeff Summers reported that the Club will be continuing with these shoots on the third Saturday of each month, starting in March. The schedule has been posted to the website.

7. Events

- Members' Dinner – Kayo and Debbie reported on progress with this event. After some searching, the Club has settled on holding the event at Cascada, a local Mexican restaurant. The restaurant has a semi-private area for dinner to be held and will provide various amenities, such as display tables. The overall price is very reasonable, and the Club will continue to partially sponsor member costs, keeping it at $25/dinner.

  The dinner is scheduled for March 29, starting at 6:30 PM. Event information has been posted to the website, along with the means to facilitate purchase.

- 2025 3D North American Open Shoot – The Club has settled on April 26, 2025, for this event. The information and sign-up/entry purchase means are available on the website, and several have already signed up. Kayo related he will set up a Sign-Up Genius to solicit/organize volunteers. He indicated that, ideally, we will need about 40 volunteers for the following tasks:
  - 3D Target set-up
  - Banners/Flags set-up
  - Parking control at Upper and Lower parking areas
  - Registration, with separate processing for walk-in and for pre-registered participants.
  - Shooting style verification (compound, recurve, sights/no sights, etc.)
  - Computer/data entry
  - Scorekeeping
  - Ticket/Raffle sales
  - Operating the Flying Pig
  - Staffing the Snack Shacks
  - To break down the course/targets/signs and store supplies, starting at around 3:30 PM
  - Final Clean-up

- Club Calendar
  Kayo related that last year, the Club held 55 lessons, of which an average of 1.6 attendees per lesson became members. A total of 532 individuals received training. He also related that this year, Introductory Club-sponsored classes will be scheduled on the third Saturday each month, CSD/EDHB-sponsored classes will be scheduled each second Saturday through the month of May.

  The Club will also hold Intermediate Archery classes on an "as needed" basis, depending on demand. Finally, we will re-introduce Junior Olympic Archery Development (JOAD) Training in April.

Pending Classes:

- Club Intro to Archery: 2/15, 2/25
- Club Intermediate Archery: 3/8
- CSD/EDHB Try Archery: 3/8, 3/15

8. Maintenance/Projects

- Entrance Sign – The beautiful new entrance sign is up! Thank you to the Oak Ridge High School Manufacturing Class for making it! The school staff involved will be offered an archery lesson as a thank you.
- Goat/Weed Abatement – Greg Landon related that CAPRA has scheduled its goats to arrive in April to do weed abatement. The Club will need to rotate closures to enable this to happen safely.
- Worn 3D Targets – Greg said that he is in the process of rotating out various old 3D targets to locations throughout the Circuit and the Broadhead Ranges. These "Easter Eggs" seem to be enjoyed by both members and visitors.
- Group 1/4 Paper Targets – These targets have been on back-order and finally arrived. Debbie will ensure they are assembled to enable placement on course by Jeff on Saturday February 15.
- Archery Shooters Association (ASA) Targets- Kayo has asked the Cub to consider ASA club affiliation. EDHB would be the first Range/Club to do so in the Western States and participation in ASA-sponsored events will provide additional Club exposure.
- Shade Structure at CSD Range - Kayo is looking into the possibility of purchasing a shade pergola for use at the CSD Range. This would make holding classes much more comfortable during the summer months.

9. Good of the Order

- Olympic Lanes/Targets - Kayo would like the Club to consider installing additional lanes near/adjacent to the Sight-In Range. This would allow for use of the portable 70-meter Olympic targets the Club purchased last year. As we increase member shooting proficiency, we may also need to purchase additional 50- and 70-meter targets.
- Wilderness Archery Update - Kayo met with Mike, the manager of Wilderness Archery, to discuss issues from previous year. Mike was receptive to the Club concerns and seemed willing to address them.

10. Adjournment – The meeting was adjourned at 8:02 PM. The next meeting will be held on March 12, 2025.
